

# Dear Jedi

## What is Dear JEDI?

Dear JEDI is a column within the quarterly ILOTA Communique where question(s) from OTPs and OT/OTA students regarding justice, equity, diversity, and inclusion in everyday practice and learning environments will be answered.

## Who Can Submit Questions?

Anyone who is a prospective or current OT/OTA student and OTP. Submissions are completely anonymous.

## Why Are We Doing This?

In line with the JEDI SIS vision statement, we aim to be a resource that encourages understanding and advocacy to establish justice, equity, diversity, and inclusion as a framework for practice. We hope that by opening up anonymous questions and answers to the ILOTA community we'll gain a diverse understanding of OT and OT's potential and gather ideas to improve our field for those that receive services and our overall profession.
