

Position Statement for Director of Finance

Submitted by Sarah Mugavero

As your current Director of Finance, it has been a privilege to serve ILOTA and gain a deeper understanding of the organization's operations, mission, and the many opportunities it provides to individuals across our profession. I am grateful for the trust and confidence ILOTA members have placed in me through this role. As I approach the completion of my first year as Director of Finance, my knowledge of the position continues to grow. I have developed an even greater appreciation for the work of ILOTA and its influence in the occupational therapy community that reaches well beyond our members. I believe there is still much to learn, and I remain committed to contributing meaningfully to the organization's continued success. In addition to overseeing and supporting ILOTA's financial operations, I have had the opportunity to contribute to important initiatives, including updates to continuing education policies and the review of membership fees. These experiences have strengthened my understanding of the organization and reinforced my commitment to serving our members. I am sincerely appreciative of the opportunity to serve ILOTA as Director of Finance. It would be an honor to continue in this role and build upon the work accomplished over the past year. Thank you for your consideration and support as I seek re-election as your Director of Finance.
